

COMMUN TOUCH

Take a risk, ^{caste} ~~throw~~ a smile at
 someone and see how they react.
 Go out on the limb, pay a
 compliment to others and watch
 them open their defenses. Pat
 someone gently on the shoulder
 and say good "nice work"
 and watch them sign up
 for more. Stop and take the
 time to help someone through
 a problem or an uncertainty &
 watch them take pride in
 you. Highlight those special
 things about your spouse &
 watch enjoy them 'up the ante'
